Termly arts development meetings

Visual Arts Coordinator will work with a member of your staff on developing arts in your school. Meetings of approximately 1–2 hours will take place termly and suggestions will be made on how to build on your strengths and identify areas for development.

Advice & Training

From the development meetings certain areas for staff development may be highlighted. All packages entitles the school to a personalised staff training session, up to two hours in duration in drama, dance or one of the visual arts prepared and delivered by one of our experienced team.

Arts Days

Depending upon the level of subscription taken, your package entitles the school to full days in drama, dance or visual art forms delivered by one of our experienced professionals. Many of our days are themed around other curriculum areas and bring these subjects to life. Please refer to the full list of days which is available in the Visual & Performing Arts section of the Bradford Schools Online website <https://www.bradfordmusiconline.co.uk/site/?s=buy+back> Other days are available and are designed with the individual needs of your school in mind.
